No, this is an active investigation.
I will check and see with case Detectives on what Channel 3 had.

Carl,

See that Ch. 3 had some type of report on the Doty St. incident
Media has called here asking for a copy of our CAD printout on this
incident. The paper we saw on tv was not a CAD printout.
Are we releasing **anything** to the media on this?

Capt. Gloede was just in the office and said we are not releasing any information regarding Doty St. If the media calls and asks about what Ch3 received this is something that was released by Joel (MPD media person) and if they want more information on what Ch3 received they need to contact Joel D. in MPD directly.

Wendy,

Thank you for the update. MPD continues to request that the 911 Center not release information regarding the Doty Street Homicide investigation and to refer any and all requests to the MPD PIO Joel Despair. The information maintained by the 911 Center regarding this case is very sensitive to the investigation and if released could jeopardize the case.

Thank you again for your consideration.

Jason Shepard from the Isthmus called and wanted a copy of the transcript that was released I told him we were not releasing any information the case is open/active and he needed to contact Joel DeSpain in MPD. He continued to ask questions and specifically wanted to know the time of the call I told him we weren't releasing anything and needed to contact MPD he asked for my last name and I refused to give it to him. I took his information down to keep with the other requests and he continued to ask questions. He was not happy with me that I wouldn't give him my last name or that I wouldn't release any information to him
